- 3.1. You are entering into a legal agreement with OCA when we confirm to you in writing (by letter or email) that you have been awarded a place for the programme on a specified intake.
- 3.2. The legal agreement is for a postgraduate course which starts between 1st August 2025 and 31st July 2026. This agreement applies for the duration of your course, which is normally two academic years.
- 3.3. OCA allows you to study over an extended period. It may be necessary to make changes to the Terms of this agreement, its rules and regulations where necessary to improve the student experience, comply with regulatory requirements, ensure the efficient and economic use of OCA resources, maintain standards, correct errors, and/or to incorporate new technologies, ideas, or methods.
- 3.4. Through the OCA Governance approval process, we may change rules, regulations, policies and procedures in the circumstances set out in the [Academic Regulations for Subsidiary Institutions of The Open](#)

[University](#). We will give reasonable notice of changes to the regulations and rules, and the date they take effect. You will be informed of any such changes as set out in the Academic Regulations for Subsidiary Institutions of The Open University, and these Terms and Conditions will incorporate and be subject to changes that take effect during the period for which these Terms and Conditions apply.

If you change your name, address, or contact details, you must inform us without delay by contacting studentadvice@oca.ac.uk. Failure to do so may affect your ability to continue your studies with OCA in line with paragraph 19.1 below.
- 6.2. Information you provide as part of your application form, or that is created as a result of your study, is stored confidentially, processed, and retained with the express purpose of providing the programme and other associated services. These documents apply to your application, enrolment and ongoing studies with us.
- 6.3. **By submitting an application form you confirm that the information provided is true and accurate to the best of your knowledge. - 6.4. If you are awarded a qualification by The Open University for OCA-study, the name on your certificate will be the legal name we hold in our records at the point your award is conferred. It is your responsibility to update OCA if you change your name during your studies. Replacement or amended certificates will only be issued by The Open University where:
- 6.4.1. An error was made by OCA or The Open University when recording your personal information.

To provide this information, OCA transfers data to the awarding institution to be included in their data submission, which includes Personal and Special Category Data.
- 6.6. Any data we hold about you may be viewed and/or amended by you, please submit any such request in writing to dpo@oca.ac.uk.

7. Enrolling with OCA

- 7.1. To receive an offer for a postgraduate programme, you must meet the specified entry requirements for the course you are applying to join. This includes achieving 100 points from the postgraduate entry framework and meeting the criteria regarding English Language and ICT requirements in order to study with OCA. For further details, please see [Section 9, Entry Requirements](#).
- 7.2. To apply to join a postgraduate degree at OCA you need to complete an application form for your chosen degree and provide all information requested, including your legal name. Application forms for each postgraduate degree can be found on their respective pages on the OCA website www.oca.ac.uk/our-courses/. If you require a paper copy of the application form or require it in alternative formats, please contact enquiries@oca.ac.uk.
- 7.3. Once you have submitted an application form to join a postgraduate degree, OCA Admissions Team will review and assess it against the Postgraduate Entry Framework. If further information is needed or if you have applied using experiential learning, your application will be referred to a member of the Programme Team to assess it against the criteria for entry.
- 7.4. You will be offered a place on the postgraduate degree if you meet the criteria outlined in [Section 9](#) and a place is available. Occasionally, we may restrict the places available to join a particular postgraduate

degree intake due to availability of tutors and/or learning resources. We endeavour to resolve all issues prior to an intake so interested students can begin. However, where this is not possible, we may offer an alternative degree and/or intake point.

- 7.5. If we reach capacity before the [Final Enrolment Date](#), we will administer a waiting list. Places will be allocated to students on the waiting list as and when they become available, determined by us at our discretion, on a case-by-case basis. We will give as much notice as possible for you to decide alternative study options if you require this. If you are added to a waiting list we cannot guarantee that you can study at specific intakes.
- 7.6. If you meet all the criteria listed in paragraphs 7.1 above, you will be issued with an unconditional offer for a specific intake point.
- 7.7. If you have not met the criteria for entry listed in paragraph 7.1 above, you will be issued with a conditional offer and given a specified time period in which to respond to the conditions. If you do not respond to the conditions within the time period allocated, your offer will be withdrawn and you will need to apply again.
- 7.8. Registration to the degree will only be finalised when we receive appropriate payment. If you are funding via a third party, for example Student Finance England, Wales, or Northern Ireland, you may receive this funding directly from the third party and need to make payment to OCA.
- 7.9. **You are encouraged to share details of any disability, long-term health condition, or mental health condition you have that might affect your studies. The application form will ask you to share any such conditions and how they impact you. You can also complete OCA's Disability Support Form to provide more detailed information about your condition and its effects. This helps us make reasonable adjustments for you to access the degree. For further details on reasonable adjustments please speak to learnersupport@oca.ac.uk or see the [Student Accessibility Policy](#).**

8. Refusal of Entry

- 8.1. OCA may refuse entry to a postgraduate degree in relation to specific circumstances detailed here:

- 8.1.1. You fail to meet entry requirements (see Section 9, [Entry Requirements](#)).

 - 8.1.6. Due to tuition fee debt as detailed in [Section 17](#) below.
 - 8.1.7. Due to previous academic failure at OCA at any level of study (see [Admissions Policy](#)).
 - 8.1.8. You are under the age criteria for the course you have applied for (see paragraph 9.4).
 - 8.1.9. OCA is unable to provide services you require to complete your study due to your geographical location, or OCA finds that the degree is not available for study in the country in which you are resident.
 - 8.1.10. All places on the postgraduate degree are filled and we are unable to accept any more students.
- 8.2. If you have been refused entry to study a postgraduate degree and you believe an administrative error has been made, you can appeal through the OCA [Student Complaints and Non-Academic Appeals Procedure](#).

9. Entry Requirements

- 9.1. For postgraduate degrees there is a minimum requirement that needs to be met in order to receive an offer to the programme. This is in addition to English Language and ICT requirements outlined in this section. Applicants must achieve 100 points from the postgraduate entry framework set out in section 6.2 of the [Admissions Policy](#). This can be made up and evidenced in different ways but must involve a written statement and portfolio of work, in addition to qualifications and/or experiential learning.

- 9.2. All students must self-assess against ICT competencies listed in OCA's [Admissions Policy](#) and confirm that they meet the requirements listed for the postgraduate degree. Further details of the digital capabilities and system requirements are provided in the [Student Computing Policy](#). If you struggle with ICT or are found to need additional IT support, you will be expected to undertake supplementary study (not necessarily with OCA) to learn the necessary skills. Guidance on appropriate learning resources can be provided.
- 9.3. If English is not your first language, you will be required to demonstrate a certain standard of English in order to study a postgraduate degree with OCA. This is to ensure you can successfully engage with the learning material. The standard you are expected to meet is defined as level B2 of the [Common European Framework of Reference for Languages \(CEFR\)](#). For information on acceptable evidence of your English proficiency, please see the [Admissions Policy](#).
- 9.4. Applicants and students must be aged 18 or above on the day of enrolment to be able to join a postgraduate degree. You may submit an application whilst under 18, but you must be 18 or older on the day you enrol.

10. Changes to your degree

- 10.1. During your postgraduate degree, OCA may need to make changes to rules, regulations, policies, postgraduate degree content (including within the individual units on the degree), postgraduate degree structure (including within the individual units on the degree), and/or any other element of its services. This may be to incorporate best practice, new products and services, or where required by law or by an accrediting, commissioning or regulating body.
- 10.2. The Open University's [Student Protection Plan](#) outlines the reasonable measures that OCA and The Open University will take to support you to continue studying if changes are necessary or affect your study.
- 10.3. OCA will not normally make changes to the degree, and the units that you are enrolled to. Example changes that OCA may make include the removal or alteration of content, changes in tutor, changes in student services, changes to library services, entry requirements and/or services available from or provided by or on behalf of OCA.

- 10.4. Changes to a degree or unit on which you are enrolled will normally only happen where there is an immediate need to rectify an error or omission, to comply with legal or regulatory requirements, or to comply with the requirements of a validating or accrediting body.
- 10.5. OCA may consult with students on changes to postgraduate degrees, and specific units within the degree. Where we propose a change and seek consultation, you will be notified by email with a copy of the proposed changes and provided with a set time to provide feedback. Consultation may not be possible in order to comply with legal or regulatory requirements, or to comply with requirements of an accrediting or validating body.
- 10.6. If a change is made to the degree on which you are enrolled, we will give you as much notice as possible. If the change to the degree is to your detriment you will be able to withdraw from the unit without penalty by emailing cancellationsandwithdrawals@oca.ac.uk. For details on fee liabilities and refunds please refer to OCA's [Student Fees Policy](#) and [Refund and Compensation Policy](#).

11. Withdrawal of the degree

- 11.1. If we discontinue a degree that you are enrolled to, we will notify you of this and will provide you with options to continue to study for the degree duration, transfer to an alternative degree where this can be identified (either at OCA or an alternative institution), or to withdraw from the degree with any credits awarded up to that point. Wherever possible, we will provide access to the degree for up to two years or until all students currently enrolled have completed the degree, whichever is sooner. Please refer to [The Open University's Student Protection Plan](#) for further details.
- 11.2. The notice period set out above may be reduced if it is necessary to comply with the requirements of a professional, statutory or regulatory body or of any other body that accredits or validates the postgraduate degree.
- 11.3. If you are unable to complete your postgraduate degree within the notice period, you can seek advice and guidance from the Information, Advice and Guidance team about your options to help you make an informed decision.

- 11.4. If you have not gained or will not gain sufficient credit to be awarded your qualification by the withdrawal date, you will not be able to complete your qualification. You can ask the Information, Advice and Guidance team for advice on transferring to a related qualification or using any credits you have gained to apply for credit exemption against a related qualification.
- 11.5. Postgraduate degrees and related Units delivered by OCA are awarded by The Open University. If the awarding institution changes, OCA will, where feasible, engage alternative awarding institutions and associated services as necessary. The awarding institution will always be a UK Higher Education Provider (HEP) officially recognised by the Office for Students. If this occurs we will notify you of the change and seek your consent to transfer to the changed awarding institution, continue with the existing awarding institution, or to withdraw and cancel this agreement.
- 11.6. If you choose to withdraw and cancel this agreement due to the change in awarding institution, you will not be charged fees for any element of the degree that has not been delivered by the date of cancellation. Full details of compensation, refunds and alternative study options are provided within the OCA [Refund and Compensation Policy](#).

12. Circumstances beyond OCA's control

- 12.1. OCA will use all reasonable endeavours to deliver the services specified in this agreement. There may be circumstances outside of our control where we are unable to provide those services in full or in part for reasons such as fire, flood, pandemic, war, terrorist acts, or industrial disputes.
- 12.2. Where events outside of our control occur, we will notify you of the events and take all reasonable steps to minimise disruption to you and the services offered. This may be by varying the services or delivering a modified version of the degree, including the units within.
- 12.3. In circumstances where OCA is impacted by industrial disputes, we will always seek to mitigate any impact upon your student experience. When we are made aware of future industrial action, we will communicate with you to make you aware of any potential impact upon your studies and the support that is available to you. OCA will work with staff and the Unions to seek a resolution to any such disputes.

- 12.4. Subject to clauses 12.5 and 12.6 below, and provided that we have taken all reasonable steps to mitigate the impact of any industrial dispute or other circumstance outside of our reasonable control in accordance with clauses 12.1 to 12.3 above, we will not have any liability to you for any failure to provide services to you as described in full or in part.
- 12.5. If any circumstance outside our reasonable control results in the complete inability to deliver your qualification or unit for a continued period of 6 weeks or more, then you will be entitled to:
- 12.5.1. Interrupt your studies, if you are currently registered on your qualification or unit; OR,
 - 12.5.2. Terminate your agreement with OCA with immediate effect by emailing cancellationsandwithdrawals@oca.ac.uk or writing to us (see [How to contact us](#) for our postal address) marking any correspondence for the attention of the Quality and Academic Support Team.
- 12.6. If you terminate your agreement with us as described in clause 12.5.2 in this section, you may, depending on the circumstances, be entitled to a full or partial refund of any tuition fees you have paid and/or compensation.
- 12.7. You should consider your options carefully before terminating your agreement with us, for example whether you are able to transfer any existing academic credit to an alternative programme at OCA or an alternative higher education institution. You may wish to contact registry@oca.ac.uk to discuss this.

No sessions will take place on recognised UK public holidays, or during OCA-defined closure periods.
- 13.1.5. Use our academic judgement to consider your work against the learning outcomes for the degree and unit, and award credit if these outcomes are met. No guarantee of outcome of study is made when you register to study with us. - 13.2.4. Ensure you have appropriate access to a computer, internet connection, and any other related technical equipment or facilities that are necessary to enrol on, participate in and complete your Unit. OCA accepts no liability in this regard.
- 13.2.5. Engage with OCA [Fitness to Study Policy](#) if requested. The policy aims to support you with your study goals if, due to difficult circumstances during your studies, your behaviour affects the way you interact with the OCA community and raises concerns about your health, safety or wellbeing.

14. Studying outside the UK and the Republic of Ireland

- 14.1. The following only applies if you are planning to study with OCA when resident (temporarily or permanently) outside of the UK and the Republic of Ireland. To engage with your studies, you will be provided with access to the particular materials provided through OCA Learn, OCA Spaces, and The Open University Library. To obtain these, you will need to sign in to your student account. In most cases, the ability to sign in to your student account and use all digital services will be fully accessible. However, in a small number of geographical locations

access may be restricted or only permissible with the use of a VPN (Virtual Private Network).

- 14.2. If you are planning on studying with OCA from outside the UK and Ireland, please see [OCA guidance](#) and The Open University [Help with signing in to OU systems](#) for information on current restrictions. If you are unsure how this will affect you or you would like to seek advice, please contact studentadvice@oca.ac.uk.
- 14.3. OCA is not responsible for which VPN provider you opt to use to sign in to your student account. It is your responsibility to ensure the VPN provider you use is compatible with the location you are in or intend to travel to. It is also your responsibility to ensure you are aware of any legal requirements or restrictions in the location you choose to study in when using VPN to access your studies.
- 14.4. If you are unable to access your Unit via a VPN because of restrictions in your place of residency, you will be offered a full or partial refund. This is limited to locations where VPN access is either prohibited or restricted by law. If you are unsure how this will affect your studies, please contact studentadvice@oca.ac.uk.
- 14.5. If there are VPN providers available in your place of residency (albeit with a limited service), it is your responsibility to ensure that you make use of these VPN providers when studying. If you are unsure how this will affect your studies, please contact studentadvice@oca.ac.uk.
- 14.6. A refund from OCA will not be provided in the event of any technical issues with your VPN.
- 14.7. If you are travelling and choose to study in another location, it is your responsibility to ensure you can access your study materials online by arranging to have access via a suitable VPN provider, or downloading materials prior to travelling. If you are unsure how this will affect your studies, please contact studentadvice@oca.ac.uk.

15. Communicating with you

- 15.1. We will ordinarily communicate with you through OCA provided email systems, through our virtual learning environment, and on our blog [#weareoca](#). If you live in Wales you can correspond with us in Welsh and this will not lead to a delay.

- 15.2. You agree to use OCA provided email, virtual learning environment, and learning log or reflective commentary or blogging systems, as appropriate, for study and communications purposes whilst registered with OCA. You agree that you will be responsible for regularly checking your OCA email address at least once a week.
- 15.3. We may contact you by phone on numbers you have provided either where you have requested a call, if something is urgent, if we have not had contact with you via email, or to obtain your express consent to changes. Where phone calls are made, either by you to OCA or OCA to you, these will be recorded. Phone recordings are retained for 30 days with some exceptions for complaints and complex cases as set out in our [Data Retention Schedule](#).

16. Fees and Costs

- 16.1. You agree to pay all fees for your chosen degree as outlined in the [OCA Fees Schedule](#). When you agree to these Terms and Conditions, you commit to paying the total fee for the course, but you will only be charged for each unit when you start studying. The fee you pay in total for each unit will be shown on the enrolment order (the email confirmation you receive after you have submitted your enrolment form).
- 16.2. **We will provide you with details of the total fees payable for both academic years before you enrol. How OCA sets fees, and when we announce this, is set out in the [Student Fees Policy](#).**
- 16.3. Payment of or arrangement to pay your fees must be in place by the [payment deadline](#) for your chosen intake. The payment methods we accept, depending on personal circumstances and eligibility, are:
- 16.3.1. Credit/Debit Card;
 - 16.3.2. Government funding (including loans and grants);
 - 16.3.3. Sponsorship;
 - 16.3.4. Third-party payment by credit/debit card;
 - 16.3.5. Payments in instalments facilitated by OCA, see paragraph 16.3;
 - 16.3.6. Bank transfer
- 16.4. OCA offers students the facility to pay via deposit and instalments. If you choose to pay fees via an instalment schedule, you understand and agree that you will remain liable for the payment of those fees in all

respects, including (without limitation) any additional charges for non-payment, late payment or failed payment.

- 16.5. **If you receive funding from a third party or public body, (for example Student Finance England or equivalent), you understand and agree that you are primarily responsible and liable for the payment of those fees. This applies even if the third party or public body does not pay or cannot continue to provide funding. You are also responsible for the consequences of non-payment, late payment or failed payment by the third party.**
- 16.6. If you are intending to pay part or all of your fees with an award from a UK funding authority but your award does not cover your fees in full, your enrolment will only be complete once the fee shortfall has been covered. We will only be able to confirm registration to your funding authority (to allow any maintenance support to be released to you) when your enrolment is completed and you are engaging with your studies.
- 16.7. The OCA [Student Fees Policy](#) sets out the circumstances in which you may be eligible for a refund of any fees paid to OCA.
- 16.8. We will not release the degree to you until payment of the appropriate fee or confirmation of funding has been received (see the [Student Fees Policy](#) for details).
- 16.9. In addition to unit fees, you may incur personal costs associated with studying on the degree. This could be the cost of materials, computer software, or other related provisions. We give an indication of the likely cost of study on the [OCA website](#). If you have requested any hard copy study materials due to a disability or long-term health condition, to be delivered to an address in the Republic of Ireland, Continental Europe, or outside Europe, you may be required to cover additional postal costs (such as VAT and customs charges). All such costs will be borne by you, regardless of whether you complete the degree.

17. Non-payment of fees

- 17.1. You are responsible for paying all outstanding fees and charges, including any further fees and charges that may be due. We may take all reasonable steps including legal action to recover any fees and other charges, as outlined in the [Student Debt Policy](#).

- 17.2. Until all outstanding tuition fees are paid to us, you may not be provided with services and facilities, including assessment entry, Virtual Learning Environment services, and provision of student support. In addition, you may not be permitted to enrol to any additional units and/or courses.
- 17.3. If we intend to remove your access to services and facilities because of non-payment of tuition fees (as indicated in paragraph 17.2 above), we will give you 14 calendar days' notice.
- 17.4. If you are in tuition fee debt to OCA when you complete your degree, we will not release your certificate, or a letter of confirmation of award, until all outstanding fees are paid. To attend the Graduation ceremony your fees must be paid in full.
- 17.5. If at our discretion we continue to provide tuition, services, or facilities, or allow enrolment to additional units and/or courses, we reserve the right to take the actions mentioned above at a later date.
- 17.6. Any debts outstanding after a period of 28 days will be referred to a debt collection agency and will be subject to the agents surcharge plus VAT at the UK standard rate. Surcharges and any legal fees will be your responsibility and are legally enforceable.

We will confirm with you when we receive your Cancellation Form. If you have not received this confirmation within 10

working days please contact cancellationsandwithdrawals@oca.ac.uk.
The date we receive your notice is the Cancellation Date.

- 18.4. Where there are licenced digital materials accessed as part of the degree and you exercise your right to cancel the degree within 14 calendar days inclusive, our consent to your downloading these digital materials is withdrawn. Such materials must not be downloaded, and any materials already downloaded and/or saved and/or reproduced in any medium must be destroyed.
- 18.5. If you have made any payment, or if payment has been made on your behalf under this Contract before the Cancellation Date, we will provide a full refund within 14 calendar days inclusive of the Cancellation Date, subject to 18.2, 18.3, and 18.4 above.
